INDEPENDENT AUDITORS' REPORT

The Honorable Marilyn Lambert, Judge
Ascension Parish Court
Judicial Expense Fund
828 South Irma Blvd., Bldg. 2
Gonzales, Louisiana 70737

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Parish Court for the Parish of Ascension, Judicial Expense Fund (a component unit of the Ascension Parish Council), as of and for the year ended June 30, 2010, which collectively comprise the Parish Court's basic financial statements, as listed in the table of contents. These financial statements are the responsibility of the management of the Parish Court for the Parish of Ascension, Judicial Expense Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Parish Court for the Parish of Ascension, Judicial Expense Fund, and the aggregate remaining fund information as of June 30, 2010, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Independent Auditors' Report
Page Two

In accordance with *Government Auditing Standards*, we have also issued our report dated November 22, 2010, on our consideration of the Parish Court for the Parish of Ascension, Judicial Expense Fund's internal control over financial reporting and our tests of its compliance with certain laws, regulations, contracts, grants, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 4 through 5 and 24 through 26 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

MANAGEMENTS' DISCUSSION & ANALYSIS
JUNE 30, 2010

Managements' discussion and analysis (MD&A) is a required element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in Statement No. 34. Its purpose is to provide an overview of the financial activities of the Judicial Expense Fund based on currently known facts, decisions, and/or conditions.

Financial Statement Presentation

The annual financial report consists of four parts – (1) managements' discussion and analysis, (2) general-purpose financial statements including note disclosures, (3) required supplemental information, and (4) supplemental information. There are two types of statements presented in the financial statement section.

The government-wide financial statements present financial information for all activities of the Ascension Parish Court, Judicial Expense Fund from an economic resource measurement focus using the accrual basis of accounting. They are designed to present governmental activities separately from business-type activities.

Fund financial statements, however, present financial information for governmental activities using a current financial resources measurement focus and the modified accrual basis of accounting. This basis of accounting recognizes current assets and liabilities and present increases and decreases in net current assets.

Other differences between these two presentations are presented in Note 1. There is also reconciliation between the government-wide financial statements and the fund financial statements for governmental activities presented in the fund financial statements.

NOTES TO THE FINANCIAL STATEMENTS

PARISH COURT FOR THE PARISH OF ASCENSION
JUDICIAL EXPENSE FUND
STATE OF LOUISIANA

Notes to the Financial Statements
As of and for the Year Ended June 30, 2010

INTRODUCTION

The Parish Court for the Parish of Ascension was established January 3, 1977, under the provision of Section 2563 of Title 13 of the Louisiana Revised Statutes. The boundary of the court is the entire Parish of Ascension, (population approximately 104,822) including municipalities. The statute provides for establishment of a Judicial Expense Fund for the operations of the court from costs, not to exceed \$15 imposed on all pleas before the court. The Clerk of Court of Ascension Parish is designated custodian of the funds, which are to be disbursed only upon orders of the Judge of the Parish Court, for purposes related to the proper administration of the court. LA R.S. 13/2563.5 (B) permits the fund to supplement the Judge's salary with an amount necessary to bring the Judge's salary, which is paid by the municipalities of the parish, in line with the District Court Judge of the judicial district in which the parish court is located. The Judge is elected by the qualified electors of the Parish of Ascension. In addition to the Judge, there were five employees as of June 30, 2010. For the fiscal year ended June 30, 2010, approximately 21,223 cases were filed before the court.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying basic financial statements of the Parish Court of Ascension have been prepared in conformity with governmental accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying basic financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, issued in June 1999.

B. REPORTING ENTITY

The court judge is an independently elected official. However, the parish court is fiscally dependent on the Parish of Ascension Council for office space, courtrooms, and related utility costs, as well as partial funding of salary costs. Because the parish court is fiscally dependent on the parish, the parish court was determined to be a component unit of the Parish of Ascension Council, the financial reporting entity.

The accompanying financial statements present information only on the funds maintained by the parish court and do not present information on the Parish of Ascension, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

C. FUND ACCOUNTING

The court uses funds to maintain its financial records during the year. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions related to certain court functions and activities. A fund is defined as a separate fiscal and accounting entity with a self-balancing set of accounts.

Governmental Funds

Governmental funds account for all or most of the court's general activities. These funds focus on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may be used. Current liabilities are assigned to the fund from which they will be paid. The difference between a governmental fund's assets and liabilities is reported as fund balance. In general, fund balance represents the accumulated expendable resources which may be used to finance future period programs or operations of the Parish Court of Ascension. The following are the court's governmental funds:

General Fund - the primary operating fund of the court and it accounts for all financial resources, except those required to be accounted for in other funds. The General Fund is available for any purpose provided it is expended or transferred in accordance with state and federal laws and according to court policy.

Special Revenues Fund - has been established to account for the Probation Litter Program Fund. This fund was established by the Judge to defray the cost of supervision of court mandated litter abatement as part of an offender's probation. The office of the Judge has taken on the responsibility of administering the program. Therefore, it is being reported as a Special Revenue Fund in connection with the Judicial Expense Fund.

D. MEASUREMENT FOCUS/BASIS OF ACCOUNTING

Fund Financial Statements (FFS)

The amounts reflected in the General Fund and Other Funds, of Statements C and E, are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach is then reconciled, through adjustment, to a government-wide view of court operations.

PARISH COURT FOR THE PARISH OF ASCENSION
JUDICIAL EXPENSE FUND
STATE OF LOUISIANA

Notes to the Financial Statements
As of and for the Year Ended June 30, 2010

The amounts reflected in the General Fund and Other Funds, of Statements C and E, use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined, and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The court considers all revenues available if they are collected within 60 days after the fiscal year end. Expenditures are recorded when the related fund liability is incurred, except for interest and principal payments on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The governmental funds use the following practices in recording revenues and expenditures:

Revenues – Major revenues include fines from the Ascension Parish Sheriff and the Cities of Gonzales, Donaldsonville, and Sorrento.

Expenditures – The court generally reports expenditures when a liability occurs.

Government-Wide Financial Statements (GWFS)

The column labeled Statement of Net Assets (Statement A) and the column labeled Statement of Activities (Statement B) display information about the court as a whole. These statements include all the financial activities of the court. Information contained in these columns reflect the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed).

Program Revenues - Program revenues included in the column labeled Statement of Activities (Statement B) are derived directly from court users as a fee for services; program revenues reduce the cost of the function to be financed from the court's general revenues.

E. BUDGETS

Budgetary Practices – Prior to the beginning of the fiscal year, the Judge for the Ascension Parish Court, Judicial Expense Fund, prepares and adopts a budget for the ensuing fiscal year. The budget is maintained in the offices of the Judicial Expense Fund and is available for public inspection during normal in office hours. Any amendments to the budget deemed appropriated by the Judge are approved and maintained in the same manner as the original budget.

F. CASH AND CASH EQUIVALENTS

Cash includes amounts in demand deposits, interest-bearing demand deposits, and time deposits. Under state law, the court may deposit funds in demand deposits, interest-bearing demand deposits, or time deposits with state banks organized under Louisiana law or any other state of the United States, or under the laws of the United States.

G. CAPITAL ASSETS

Capital assets are capitalized at historical cost or estimated cost. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. The court maintains a threshold level of \$500 or more for capitalizing capital assets.

Capital assets are recorded in the Statement of Net Assets and Statement of Activities. Since surplus assets are sold for an immaterial amount when declared as no longer needed for public purposes, no salvage value is taken into consideration for depreciation purposes. All capital assets, other than land, are depreciated using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Office furniture	5 - 10 years
Equipment	4 - 10 years
Leasehold improvements	5 - 10 years

H. COMPENSATED ABSENCES

The employees of the Ascension Parish Court, Judicial Expense Fund are not allowed to accumulate vacation or sick leave.

I. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

2. CASH AND CASH EQUIVALENTS

At June 30, 2010, the Parish Court of Ascension has cash and cash equivalents (book balances) totaling \$237,827 as follows:

Interest-bearing demand deposits	<u>\$ 237,827</u>
----------------------------------	-------------------

These deposits are stated at cost, which approximates market. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

At June 30, 2010, the court had \$258,126 in deposits (collected bank balances). These deposits are secured from risk by \$258,126 in FDIC insurance and \$-0- in pledged securities.

3. RECEIVABLES

The receivables of \$23,715 at June 30, 2010, are as follows:

<u>Class of Receivable</u>	<u>General</u>
Charges for Services	<u>Fund</u>
	<u>\$ 23,715</u>

These accounts receivable are considered to be 100% collectable and no provision for bad debts have been made by the Court.

4. CAPITAL ASSETS

Capital assets and depreciation activity as of and for the year ended June 30, 2010, is as follows:

5. ACCOUNTS AND OTHER PAYABLES

The accounts payable of \$1,139 at June 30, 2010, represents normal operating payables.

6. PENSION PLAN

Substantially all employees of the Parish Court, Judicial Expense Fund are members of the Parochial Employees Retirement System of Louisiana (System), a multiple-employer (cost-sharing), defined benefit pension plan administered by a separate board of trustees.

The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. All employees of the Judicial Expense Fund are members of Plan B.

All permanent employees working at least 28 hours per week who are paid wholly or in part from parish funds and all elected parish officials are eligible to participate in the System. Under Plan B, employees who retire at or after age 62 with at least 10 years of creditable service or at or after age 55 with at least 30 years of creditable service are entitled to a retirement benefit, payable monthly for life, equal to 2 percent of their final-average monthly salary in excess of \$100 for each year of creditable service. Furthermore, employees with at least 10 years of creditable service, but less than 30 years, may take early retirement benefits commencing at or after age 60, with the basic benefit reduced 3 percent for each year retirement precedes age 62 unless he has at least 30 years of creditable service.

PARISH COURT FOR THE PARISH OF ASCENSION
JUDICIAL EXPENSE FUND
STATE OF LOUISIANA

Notes to the Financial Statements
As of and for the Year Ended June 30, 2010

In any case, monthly retirement benefits paid under Plan B cannot exceed 100 percent of final-average salary. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Parochial Employees' Retirement System, Post Office Box 14619, Baton Rouge, Louisiana 70898-4619, or by calling (225) 928-1361.

Under Plan B, members are required by state statute to contribute 3.0 percent of their annual covered salary in excess of \$300 and the Judicial Expense Fund is required to contribute at an actuarially determined rate. The current rate is 6.25 percent of annual covered payroll.

Contributions to the System include one-fourth of one percent of the taxes shown to be collectible by the tax rolls of each parish, except Orleans and East Baton Rouge Parishes. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. The contribution requirements of plan members and the Judicial Expense Fund are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The Judicial Expense Fund's contributions to the System under Plan B for the years ending June 30, 2010, 2009, and 2008, were \$9,910, \$7,138, and \$6,618 respectively, which were equal to the required contributions for each year.

The Judge is a member of the Louisiana Employees Retirement System. Contributions to the system are made by the Judge and the Judicial Expense Fund as a percentage of salary. The Judicial Expense Fund contributed \$5,412 to the system during the year.

7. LEASES

There were no lease agreements entered into as of June 30, 2010. All office and court room facilities are provided by the governing authority of the parish, as required by legislative statute.

INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Honorable Marilyn Lambert, Judge
Ascension Parish Court
Judicial Expense Fund
828 South Irma Blvd., Bldg. 2
Gonzales, Louisiana 70737

We have audited the financial statements of the Parish of Ascension, Judicial Expense Fund as of and for the year ended June 30, 2010, and have issued our report thereon dated November 22, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Parish of Ascension, Judicial Expense Fund's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Parish of Ascension, Judicial Expense Fund's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Parish of Ascension, Judicial Expense Fund's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affect the Parish of Ascension, Judicial Expense Fund's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Parish of Ascension, Judicial Expense Fund's financial statements that is more than inconsequential will not be prevented or detected by the Parish of Ascension, Judicial Expense Fund's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Parish of Ascension, Judicial Expense Fund's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Parish of Ascension, Judicial Expense Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an object of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of management of the Parish of Ascension, Judicial Expense Fund and the Legislative Auditor of the State of Louisiana. However, this report is a matter of public record and its distribution is not limited.
